**DESCRIPTION OF SILC USER DATABASE SECONDARY TARGET
VARIABLES:
MODULE 2006
Social participation**

Version 2006.1 from 01-03-08

The following variables are enclosed in the "UDB_c06P..." data file

Unit

The information will be provided for all current household members or if applicable for all selected respondents, aged 16 and over.

Mode of Data Collection

Owing to the characteristics of the information to be collected, only personal interviews (proxy interviews as an exception for persons temporarily away or in incapacity) or extracted information from registers are allowed.

Reference Period

- *Last 12 months* shall be used for variables related to participation in cultural events, and participation in formal and informal activities.
- *Usual* shall be used for variables related to integration with relatives and friends. *Usual* refers to the usual frequency with which the activities take place during a normal year.
- *Current* for the variable “*Ability to ask any relative, friend or neighbour for help*”.

Definitions

- (a) *Relatives*: shall be understood in the widest sense, and shall include father/mother/children, siblings, grandparents, aunts, uncles, cousins, nephews, nieces and families-in-law.
- (b) *Friends*: people the respondent gets together with in his/her spare time (i.e. after working hours, at weekends, or for holidays) and with whom the respondent shares private matters.
- (c) *To get together*: means spending time with friends or relatives at home or elsewhere. It can be talking or doing some kind of activities together. Merely encountering someone by chance is not considered as ‘being together’.
- (d) *Frequency of getting together/being in contact with friends and relatives*: refers to the frequency with which the respondent gets together/is in contact with any relative/friend. Not only the person that the respondent gets together/is in contact with most often is to be considered. If the respondent meets his/her

friends/relatives 'once a year' during holidays or feasts, the answer shall be 'at least once a year'.

- (e) *Informal voluntary activities*: refers to activities that take place outside an organisational context and tend to be done on an individual basis. Informal voluntary activities include cooking for others; taking care of people in hospitals/at home; taking people for a walk; shopping, etc. It excludes any activity that a respondent undertakes for his/her household, in his/her work or within voluntary organizations.
- (f) *Participation in cultural events*: refers to going to the cinema, live performances, visiting cultural sites or attending live sports events, wherever these events take place and whether these activities are performed by professionals or amateurs. For live sports events and live performances, participation refers only to spectating
