<< THE CLOCK STARTS>>

A2   Good morning/good evening**, it's (MOVABLE TEXT:** *Name and Surname)***, I am an interviewer; I work for ISTAT (National Institute of Statistics). We are carrying out a research on personal safety.**

<< IN CASE THE PERSON SAYS THAT HE/SHE HAS REQUIRED NOT TO RECEIVE PHONE CALLS FOR SURVEY PURPOSE, etc >>

Yes, you're right. Generally, personal details cannot be provided for publicity, market researches and opinion poll, but ISTAT is a public institute that carries out statistical surveys PROVIDED FOR BY LAW. These researches are all in the public interest and necessary for the community.

<<TO EVERYBODY >>

You should have lately received a letter from ISTAT, which informed you about this call. It was addressed to family <<MOVABLE TEXT: SURNAME>>. Have you received it?

<<IN CASE OF DOUBT >>
The letter had an envelope with two red rectangles, can you remember? You should have received it a few days ago. Maybe someone else took the mail…

1   Yes
2   Yes, but I didn't read it
3   No
4   I don't know/ I don't remember.

A3   The letter was to advise you that your family has been randomly chosen to take part in a survey within an international project, which is being carried out all over Italy and in many countries of the world. The information collected will be useful to get to know the conditions of life and the safety of people in the places where they live.
Do I speak with the family <<MOVABLE TEXT: SURNAME>>?

<<IF THE PERSON IS SUSPICIOUS OR IN DOUBT >>

You can check by yourself the reliability of this research project by calling Istat's TOLL-FREE NUMBER: 800 637 760. You will find people able to give you all information that you need.
The toll-free number is available at this time: from Monday to Friday from 9:00 a.m. to 9:00 p.m. and on Saturday from 11:00 a.m. to 5:00 p.m.
Furthermore, you can check that this is really ISTAT's toll-free number by phoning the ISTAT's switchboard in Rome: 06 46731 or in one of the regional seats of the institute.
