ISTAT, FRANCESCO MARIA CHELLI IS ACTING PRESIDENT

The National Institute of Statistics informs that, pending the completion of the new appointment of the President, as of today Professor Francesco Maria Chelli assumes the position of Acting President.

The Decree of the President of the Council of Ministers (Dpcm) of 9 May was registered today by the Court of Auditors. The appointment, pursuant to Article 16 of Legislative Decree No. 322 of 1989, is free of charge.

Professor Chelli, currently the longest-serving member of the Istat Council, had already been guaranteeing the operation of ordinary administration acts as well as the legal representation of the Institute since 22 March last, following the expiry of the 'prorogatio' period of President Gian Carlo Blangiardo.
