

Index of tables

Year 2007

Table 1	-	Persons convicted of felony by final judgement by sex, District Court of Appeal and judicial office – Year 2007 (absolute values and percentages of degree of judgement per 100 judgements of the same District)
Table 2	-	Persons convicted of felony by final judgement by type of most serious felony and region where the felony was committed – Year 2007 (absolute values)
Table 3	-	Persons convicted of felony by final judgement by type of most serious felony, geographical area where the felony was committed and sex – Year 2007 (absolute values)
Table 4	-	Persons convicted of felony by final judgement by type of most serious felony, age at the committed felony, sex – Year 2007 (absolute values)
Table 5	-	Persons convicted of felony by final judgement by type of most serious felony, sex and number of felonies – Year 2007 (absolute values)
Table 5bis	-	Persons convicted of felony by final judgement by sex, age at the committed felony and number of felonies – Year 2007 (absolute values and per 100 persons convicted with the same characteristics)
Table 5ter	-	Persons convicted of felony by final judgement by sex, age at the committed felony and number of different felonies – Year 2007 (absolute values and per 100 persons convicted with the same characteristics)
Table 6	-	Persons convicted of felony by final judgement by sex, type of most serious felony, birth place (Italy/Abroad) – Year 2007 (absolute values and per 100 persons convicted with the same characteristics)
Table 7	-	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2007 (absolute values)
Table 7 (continues)	-	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2007 (per 100 persons convicted with the same characteristics)
Table 8	-	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2007 (absolute values)
Table 8 (continues)	-	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2007 (per 100 persons convicted with the same characteristics)
Table 9	-	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2007 (absolute values)
Table 9 (continues)	-	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2007 (per 100 persons convicted with the same characteristics)
Table 10	-	Persons convicted of felony by final judgement born abroad by sex, birth Country and age at the committed felony – Year 2007 (absolute values)
Table 11	-	Persons convicted of felony by final judgement born abroad by birth Country, geographical area where the most serious felony was committed and sex – Year 2007 (absolute values)
Table 12	-	Persons convicted of felony by final judgement born abroad by sex, birth Country and most serious felony – Year 2007 (absolute values)
Table 13	-	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2007 (absolute values)

Table 13 (continues) -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2007 (per 100 persons convicted committing the same felony)
Table 14 -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2007 (absolute values)
Table 14 (continues) -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2007 (per 100 persons convicted of the same felony)
Table 15 -	Persons convicted of felony by final judgement by type of most serious felony and nature of the felony – Year 2007 (absolute values)
Table 16 -	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2007 (absolute values)
Table 16 (continues) -	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2007 (per 100 persons convicted with the same characteristics)
Table 17 -	Persons convicted of felony by final judgement by type of most serious felony and type of sentence – Year 2007 (absolute values)
Table 17bis	Persons convicted of felony by final judgement by type of most serious felony, type of sentence and length – Year 2007 (absolute values)
Table 18 -	Persons convicted of felony by final judgement by District Court of Appeal and principal security measures – Year 2007 (absolute values)
Table 19 -	Persons convicted of felony by final judgement by sex, type of most serious felony, previous convictions and relapse – Year 2007 (absolute values)
Table 20 -	Persons convicted of felony by final judgement with previous convictions by sex, type of most serious felony and age at the committed felony – Year 2007 (absolute values)
Table 21 -	Minors convicted of felony by final judgement by District Court of Appeal, age at the committed felony and sex – Year 2007 (absolute values)
Table 22 -	Minors convicted of felony by final judgement by sex, type of most serious felony and Judicial Office – Year 2007 (absolute values)
Table 23 -	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2007 (absolute values)
Table 23 (continues) -	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2007 (per 100 persons convicted of the same type of felony)
Table 24 -	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2007 (absolute values)
Table 24 (continues) -	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2007 (per 100 persons convicted of the same type of felony)
Table 25 -	Minors convicted of felony by final judgement by sex, type of most serious felony and type of sentence – Year 2007 (absolute values)
Table 26 -	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2007 (absolute values)
Table 26 (continues) -	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2007 (per 100 persons convicted born in the same region)
Table 26 (continues) -	Minors convicted of felony by final judgement by birth place (Italy/Abroad) and region where the most serious felony was committed – Year 2007 (per 100 persons convicted committing the felony in the same region)
Table 27 -	Final judgement felonies by degree of judgement, type of felony and year when the felony was committed – Year 2007 (absolute values)

Table 27 (continues) -	Final judgement felonies by degree of judgement, type of felony and year the felony was committed – Year 2007 (per 100 felonies of the same type)
Table 28 -	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2007 (absolute values)
Table 28 (continues) -	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2007 (per 100 felonies of the same type)
Table 29 -	Final judgement felonies by type of felony and region where the felony was committed – Year 2007 (absolute values)
Table 30 -	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2007 (absolute values)
Table 30 (continues) -	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2007 (per 100 felonies of the same type)
Table 31 -	Final judgement felonies by sex, type of felony and age at the committed felony – Year 2007 (absolute values)

Year 2008

Table 32 -	Persons convicted of felony by final judgement by sex, District Court of Appeal and judicial office – Year 2008 (absolute values and percentages of degree of judgement per 100 judgements of the same District)
Table 33 -	Persons convicted of felony by final judgement by type of most serious felony and region where the felony was committed – Year 2008 (absolute values)
Table 34 -	Persons convicted of felony by final judgement by type of most serious felony, geographical area where the felony was committed and sex – Year 2008 (absolute values)
Table 35 -	Persons convicted of felony by final judgement by type of most serious felony, age at the committed felony, sex – Year 2008 (absolute values)
Table 36 -	Persons convicted of felony by final judgement by type of most serious felony, sex and number of felonies – Year 2008 (absolute values)
Table 5bis -	Persons convicted of felony by final judgement by sex, age at the committed felony and number of felonies – Year 2008 (absolute values and per 100 persons convicted with the same characteristics)
Table 5ter -	Persons convicted of felony by final judgement by sex, age at the committed felony and number of different felonies – Year 2008 (absolute values and per 100 persons convicted with the same characteristics)
Table 37 -	Persons convicted of felony by final judgement by sex, type of most serious felony, birth place (Italy/Abroad) – Year 2008 (absolute values and per 100 persons convicted with the same characteristics)
Table 38 -	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2008 (absolute values)
Table 7 (continues) -	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2008 (per 100 persons convicted with the same characteristics)
Table 39 -	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2008 (absolute values)
Table 8 (continues) -	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2008 (per 100 persons convicted with the same characteristics)
Table 40 -	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2008 (absolute values)

Table 9 (continues) -	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2008 (per 100 persons convicted with the same characteristics)
Table 41 -	Persons convicted of felony by final judgement born abroad by sex, birth Country and age at the committed felony – Year 2008 (absolute values)
Table 42 -	Persons convicted of felony by final judgement born abroad by birth Country, geographical area where the most serious felony was committed and sex – Year 2008 (absolute values)
Table 43 -	Persons convicted of felony by final judgement born abroad by sex, birth Country and most serious felony – Year 2008 (absolute values)
Table 44 -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2008 (absolute values)
Table 13 (continues) -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2008 (per 100 persons convicted committing the same felony)
Table 45 -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2008 (absolute values)
Table 14 (continues) -	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2008 (per 100 persons convicted of the same felony)
Table 46 -	Persons convicted of felony by final judgement by type of most serious felony and nature of the felony – Year 2008 (absolute values)
Table 47 -	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2008 (absolute values)
Table 16 (continues) -	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2008 (per 100 persons convicted with the same characteristics)
Table 48 -	Persons convicted of felony by final judgement by type of most serious felony and type of sentence – Year 2008 (absolute values)
Table 17bis	Persons convicted of felony by final judgement by type of most serious felony, type of sentence and length – Year 2008 (absolute values)
Table 49 -	Persons convicted of felony by final judgement by District Court of Appeal and principal security measures – Year 2008 (absolute values)
Table 50 -	Persons convicted of felony by final judgement by sex, type of most serious felony, previous convictions and relapse – Year 2008 (absolute values)
Table 51 -	Persons convicted of felony by final judgement with previous convictions by sex, type of most serious felony and age at the committed felony – Year 2008 (absolute values)
Table 52 -	Minors convicted of felony by final judgement by District Court of Appeal, age at the committed felony and sex – Year 2008 (absolute values)
Table 53 -	Minors convicted of felony by final judgement by sex, type of most serious felony and Judicial Office – Year 2008 (absolute values)
Table 54 -	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2008 (absolute values)
Table 23 (continues) -	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2008 (per 100 persons convicted of the same type of felony)
Table 55 -	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2008 (absolute values)
Table 24 (continues) -	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2008 (per 100 persons convicted of the same type of felony)

Table 56	-	Minors convicted of felony by final judgement by sex, type of most serious felony and type of sentence – Year 2008 (absolute values)
Table 57	-	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2008 (absolute values)
Table 26 (continues)	-	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2008 (per 100 persons convicted born in the same region)
Table 26 (continues)	-	Minors convicted of felony by final judgement by birth place (Italy/Abroad) and region where the most serious felony was committed – Year 2008 (per 100 persons convicted committing the felony in the same region)
Table 58	-	Final judgement felonies by degree of judgement, type of felony and year when the felony was committed – Year 2008 (absolute values)
Table 27 (continues)	-	Final judgement felonies by degree of judgement, type of felony and year the felony was committed – Year 2008 (per 100 felonies of the same type)
Table 59	-	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2008 (absolute values)
Table 28 (continues)	-	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2008 (per 100 felonies of the same type)
Table 60	-	Final judgement felonies by type of felony and region where the felony was committed – Year 2008 (absolute values)
Table 61	-	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2008 (absolute values)
Table 30 (continues)	-	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2008 (per 100 felonies of the same type)
Table 62	-	Final judgement felonies by sex, type of felony and age at the committed felony – Year 2008 (absolute values)

Year 2009

Table 63	-	Persons convicted of felony by final judgement by sex, District Court of Appeal and judicial office – Year 2009 (absolute values and percentages of degree of judgement per 100 judgements of the same District)
Table 64	-	Persons convicted of felony by final judgement by type of most serious felony and region where the felony was committed – Year 2009 (absolute values)
Table 65	-	Persons convicted of felony by final judgement by type of most serious felony, geographical area where the felony was committed and sex – Year 2009 (absolute values)
Table 66	-	Persons convicted of felony by final judgement by type of most serious felony, age at the committed felony, sex – Year 2009 (absolute values)
Table 67	-	Persons convicted of felony by final judgement by type of most serious felony, sex and number of felonies – Year 2009 (absolute values)
Table 5bis	-	Persons convicted of felony by final judgement by sex, age at the committed felony and number of felonies – Year 2009 (absolute values and per 100 persons convicted with the same characteristics)
Table 5ter	-	Persons convicted of felony by final judgement by sex, age at the committed felony and number of different felonies – Year 2009 (absolute values and per 100 persons convicted with the same characteristics)
Table 68	-	Persons convicted of felony by final judgement by sex, type of most serious felony, birth place (Italy/Abroad) – Year 2009 (absolute values and per 100 persons convicted with the same characteristics)

Table 69	-	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2009 (absolute values)
Table 7 (continues)	-	Persons convicted of felony by final judgement by sex, birth region and age at the committed felony – Year 2009 (per 100 persons convicted with the same characteristics)
Table 70	-	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2009 (absolute values)
Table 8 (continues)	-	Persons convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2009 (per 100 persons convicted with the same characteristics)
Table 71	-	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2009 (absolute values)
Table 9 (continues)	-	Persons convicted of felony by final judgement born abroad by sex, birth continent and age at the committed felony – Year 2009 (per 100 persons convicted with the same characteristics)
Table 72	-	Persons convicted of felony by final judgement born abroad by sex, birth Country and age at the committed felony – Year 2009 (absolute values)
Table 73	-	Persons convicted of felony by final judgement born abroad by birth Country, geographical area where the most serious felony was committed and sex – Year 2009 (absolute values)
Table 74	-	Persons convicted of felony by final judgement born abroad by sex, birth Country and most serious felony – Year 2009 (absolute values)
Table 75	-	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2009 (absolute values)
Table 13 (continues)	-	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and year the felony was committed – Year 2009 (per 100 persons convicted committing the same felony)
Table 76	-	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2009 (absolute values)
Table 14 (continues)	-	Persons convicted of felony by final judgement by degree of judgement, type of most serious felony and time interval between the committed felony date and the sentence date – Year 2009 (per 100 persons convicted of the same felony)
Table 77	-	Persons convicted of felony by final judgement by type of most serious felony and nature of the felony – Year 2009 (absolute values)
Table 78	-	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2009 (absolute values)
Table 16 (continues)	-	Persons convicted of felony by final judgement by sex, age at the committed felony and nature of the felony – Year 2009 (per 100 persons convicted with the same characteristics)
Table 79	-	Persons convicted of felony by final judgement by type of most serious felony and type of sentence – Year 2009 (absolute values)
Table 17bis	-	Persons convicted of felony by final judgement by type of most serious felony, type of sentence and length – Year 2009 (absolute values)
Table 80	-	Persons convicted of felony by final judgement by District Court of Appeal and principal security measures – Year 2009 (absolute values)
Table 81	-	Persons convicted of felony by final judgement by sex, type of most serious felony, previous convictions and relapse – Year 2009 (absolute values)
Table 82	-	Persons convicted of felony by final judgement with previous convictions by sex, type of most serious felony and age at the committed felony – Year 2009 (absolute values)
Table 83	-	Minors convicted of felony by final judgement by District Court of Appeal, age at the committed felony and sex – Year 2009 (absolute values)

Table 84	-	Minors convicted of felony by final judgement by sex, type of most serious felony and Judicial Office – Year 2009 (absolute values)
Table 85	-	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2009 (absolute values)
Table 23 (continues)	-	Minors convicted of felony by final judgement by sex, type of most serious felony and year it was committed – Year 2009 (per 100 persons convicted of the same type of felony)
Table 86	-	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2009 (absolute values)
Table 24 (continues)	-	Minors convicted of felony by final judgement by sex, type of most serious felony and geographical area where the felony was committed – Year 2009 (per 100 persons convicted of the same type of felony)
Table 87	-	Minors convicted of felony by final judgement by sex, type of most serious felony and type of sentence – Year 2009 (absolute values)
Table 88	-	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2009 (absolute values)
Table 26 (continues)	-	Minors convicted of felony by final judgement by birth region and region where the most serious felony was committed – Year 2009 (per 100 persons convicted born in the same region)
Table 26 (continues)	-	Minors convicted of felony by final judgement by birth place (Italy/Abroad) and region where the most serious felony was committed – Year 2009 (per 100 persons convicted committing the felony in the same region)
Table 89	-	Final judgement felonies by degree of judgement, type of felony and year when the felony was committed – Year 2009 (absolute values)
Table 27 (continues)	-	Final judgement felonies by degree of judgement, type of felony and year the felony was committed – Year 2009 (per 100 felonies of the same type)
Table 90	-	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2009 (absolute values)
Table 28 (continues)	-	Final judgement felonies by degree of judgement, type of felony and time interval between the committed felony date and the sentence date – Year 2009 (per 100 felonies of the same type)
Table 91	-	Final judgement felonies by type of felony and region where the felony was committed – Year 2009 (absolute values)
Table 92	-	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2009 (absolute values)
Table 30 (continues)	-	Final judgement felonies by sex, type of felony and geographical area where the felony was committed – Year 2009 (per 100 felonies of the same type)
Table 93	-	Final judgement felonies by sex, type of felony and age at the committed felony – Year 2009 (absolute values)
