

Construction cost of residential buildings and road sections

August 2015

The construction costs index of residential buildings approximates the monthly evolution of costs of the residential construction sector. Since January 2013 the indices are calculated with reference to the base year 2010.

In August 2015 the index increased by 0.1 compared with the previous month and by 0.5% compared with August 2014.

Construction cost index of residential building. August 2015 (a)

	Percentage changes	
	Aug 2015 Jul 2015	Aug 2015 Aug 2014
