AIRPORT TRANSFERS

Most the hotels, Banca d'Italia and Istat are close to Termini Railway Station, which can be easily reached from both Fiumicino Airport and Ciampino Airport (<http://www.adr.it/web/aeroporti-di-roma-en/>).

If you choose to take a taxi, please note that official licensed taxis in Rome are white, with a sign on the roof and the driver's license information on the door. Drivers of licensed cabs always wait in (or near) their cars at the official taxi parking (marked by a yellow sign). Do not trust people within the airport offering you taxi trips, since they could be unlicensed taxi drivers.

FIUMICINO AIRPORT

This is the main international airport of Rome.

Leonardo express is the non-stop service that connects Roma Termini station and Roma Fiumicino airport in just 32 minutes, with programmed departures every 15 minutes (every 30 minutes during certain time periods) and costs € 14,00. At Roma Termini the service will run from 05.35 am until 10.35 pm, and at Fiumicino Airport it will run from 06.23 am until 11.23 pm (<https://www.trenitalia.com/tcom-en/Services/Fiumicino-Airport>).

The **taxi** fare from/to the city centre is € 48,00 (ask for the flat rate, "tariffa fissa").

There are also **bus connections**. Please check them here: <http://www.adr.it/web/aeroporti-di-roma-en/pax-fco-bus>

Ciampino Airport

The nearest **train station** is in the town of Ciampino, connected to the airport by COTRAL/SCHIAFFINI buses every 30 minutes. The journey time is, on average, 5 minutes. The cost of the ticket, for sale both on board and from the ground staff is 1 euro.

A light rail service connects the Ciampino railway station to the Termini railway station in an average time of 15 minutes.

The **taxi** fare from/to the city centre is € 30,00 (ask for the flat rate, "tariffa fissa").

There are also **bus connections**. Please check them here: <http://www.adr.it/web/aeroporti-di-roma-en/pax-cia-bus>

PUBLIC TRANSPORT

The public transport system consists in three underground lines and an extensive capillary network of means of road transport (trams, buses, trolleybuses). Buses run from 5.30 a.m. to 11.30 p.m. with only the night buses after 11.30 p.m. The underground "metro" lines run from 5.30 a.m. to 11.30 p.m. and, on Friday and Saturday nights, to 1.30 a.m. (last run from the terminus). Tickets can be bought at all railway and underground "metro" stations as well as authorized sales points (newsagents, bars, tobacconists and P.I.T. tourist information points). Various kinds of tickets are available.

Always buy your ticket before boarding and then stamp when boarding.
