

Questionnaire code: **[FIELD1]**

Survey key: **02493**

Dear Sir/Madam,

You have been included by Istat – National Institute of Statistics – in the sample of the 2025 Permanent Census of Population and Housing, which collects information on the main characteristics of the population in Italy. Every year, Istat randomly extracts a sample of individuals from the lists in its possession, in order to collect both demographic and socio-economic information and information on the use of housing.

As this is a sample survey conducted on approximately 800 municipalities, in your questionnaire you will find one or more addresses associated with you that fall within the territory of the sample municipalities. Accordingly, this information notice will be forwarded to you at all the addresses associated with your person.

The survey will be run from **6 October to 23 December 2025** and requires you to answer a questionnaire. If your name is associated with more than one address, it will be sufficient to fill out a single questionnaire following the instructions set out in any of the information letters received.

Answering the questionnaire is an obligation on the people involved, within the limits indicated in the paragraph headed "Obligation to reply" on the following page.

HOW TO ANSWER THE QUESTIONNAIRE

From **6 OCTOBER to 11 NOVEMBRE** you can connect to <https://raccoltadati.istat.it/pop2025> and enter the log-in information set out in the box on the side or use your Public Digital Identity System (SPID) or your electronic ID card (CIE).

From **12 November to 23 December**, if you have not filled out the online questionnaire, you will be contacted by an operator from your Municipality for a telephone or face-to-face interview.

Throughout the survey period, you can go to the Municipal Survey Centers (CCR), where you can use a PC with Internet access to fill out the questionnaire independently (until November 11) or through an interview conducted by a municipal operator. Once you have completed the questionnaire, you can download the receipt of completion of online compilation or, in the case of an interview with a municipal operator, request a paper copy.
